

U.S. Foreign Aid Helps Women and Families and Saves Lives

\$607.5 million in U.S. foreign assistance for family planning

- ➔ means 25 million women and couples receive contraceptive services**
- ➔ thereby helping them avert 7.5 million unintended pregnancies**
- ➔ which prevents 3.2 million induced abortions (of which 2.1 million would have been in unsafe conditions)**
- ➔ and saves the lives of 14,600 women**
